

RUN TO THE BEAT MUSIC MAP

CITY SHOWCASE

MUSIC ON THE COURSE

At this year's Run to the Beat we have eleven music points on the course, five live stages playing rock, pop, dance and urban - the favourite genres as voted by you when you entered, one DJ at the half way point to spur you on for the rest of the course and between all of these we have recorded music that keeps you running to the beats per minute. The main stage at the O2 will provide a mixture of music, DJ's and fun throughout the morning as your friends and family wait for you to return....
